November 10, 2008

We would like to extend our sincere thank you for your assistance on the cemetery clean up day, November 1, 2008. Without your help we would never have accomplished so much toward restoring the Conway Family Cemetery and preserving Conway's rich history. Hopefully we will continue to have the cooperation of several groups and individual volunteers like we had on that day.

We look forward to working with you again in the future as this will be an ongoing restoration and maintenance project. We must continue this endeavor so that we can pass down Conway's history to future generations.

Thank you,

Conway Cemetery Preservation Foundation
