\$5 discount for each additional child registered.

Candy \$30

We will be selling Anderson's candy again this year as a fundraiser for our organization. Each child registered is required to sell 1 (one) bag of candy. If you choose not to sell candy, you may opt-out of the fundraiser by paying the \$30 fee to the league. **For either option, the money is due at the time of registration.**

Concession/Field Maintenance Fee \$50**

This year, it is necessary for the league to implement a field maintenance fee of \$20 per family, in addition to the \$30 concession stand fee. **The \$50 fee will be due at the time of registration. Both fees will require someone from each family to be responsible for helping in the concession stand for one game and with the fields for approximately 2 hours. After this time has been completed, the money will be refunded. We thank you in advance for your understanding and cooperation as we implement this new policy.
